22. The order of the participants in the second finals stage will be determined by the draw, which will be carried out immediately after the announcement of the results of the first stage.
23. Participants are allowed to change their program for the second stage of the competition, however the same time limits apply. The Competition Secretariat must be advised of any changes before the performance.
24. The competition repertoire in the Final stage must be played from memory.
25. The announcement of the results of the second stage finals will take place soon after the performances have finished, in the official part where the prizes will be presented to the winners.

ACCOMPANIMENT

26. All pieces in an entrant's program which require an accompaniment must have a "live" accompanist. The accompaniment in instrumental sections must be played on an acoustic piano. Recorded accompaniment or backing tracks are not permitted in any section within the competition. This rule applies to both the performances, eliminations and in the Final.
27. Entrants may work with their own accompanist by private arrangement. Entrants working with their own accompanist must ensure that their accompanist is available to perform with them on the days of both stages should they be successful in qualifying. Alterations to an entrants appearance number (order in which they appear in the program) cannot be made due to their accompanist's availability.
28. An official accompanist of the competition is available for all solo instrumental performance. If an entrant wants to make use of this official accompanist, this should be flagged in the initial application. All entrants using the official accompanist will be charged a fee of \$25 per performance. This fee does not cover rehearsals. The official accompanist must be notified two weeks in advance and paid before the performance. Rehearsals are recommended, and are to be privately arranged with the accompanist (this is not covered by the competition entry fee.)

ADJUDICATION

29. Students of Adjudicators are eligible to enter; however, their teacher is not allowed to vote or comment on their student's performance.
30. The Jury reserves the right not to award any of the prizes provided for in the regulations.
31. The prizes awarded will be at the Adjudicator's and/or Committee's discretion.
32. Performers and spectators must not communicate with the adjudicator until all their final section is completed.
33. The Jurors will vote independently and may not discuss the performances before or during the voting procedure. Ballots may not be made public.
34. The decision of the Jury is final and cannot be appealed.
35. The Jury may award additional prizes funded by the sponsors or partners of the competition, if such arrangements are made.
36. Finalists who do not achieve a placing will be awarded a Finalist Certificate.
37. Prizes will be presented at the conclusion of the Final section. It is the responsibility of each performer to collect their prize, certificate and Adjudicator's Report.
