Silent Protest: Tuesday 31st August, 2021

Hello Australia and TRUCK DRIVERS,

Please start passing this around to your contacts and get them to pass it on. There is a Silent Protest on Tuesday 31st August 2021.

Tell your friends a proper protest must be done on a weekday and not on a weekend. Also this is a silent and strategic protest. There will be No screaming, No signs and No speeches. We ALL MUST stand together. Do not be scared of a fine because if we don't stand up, what will come after will be much worse than a fine. We will lose everything. Our freedom will go.

A protest was done like this in 1932 and 1975 and we WON! And we CAN do it again and we WILL WIN AGAIN IN 2021!

It starts at 9am sharp and by 12pm our request is for Parliament members to STEP DOWN! "This is to force a dissolution of parliament and call new elections".

Also the other request we want is for them to hand over the documents unredacted that Senator Bill Heffernan spoke about in parliament. He has all the names and evidence of our politicians, judges and prime ministers that were guilty of paedophilia.

In addition, this is a peaceful protest. This means we stand in silence. You are asked to bring a scarf and a whistle with you. The reason is if a policeman was to pull you out of a crowd, the crowd will immediately circle the police and you by creating a ring around him and use your scarfs tying them together and the crowd will chant, "RELEASE HIM, RELEASE HIM", over and over until he does. AND HE WILL BE released by the police. Because with thousands standing their coordinated and in synch the police will listen to you. Then one person within that group will drop one end of the scarf and create a pathway for the police to leave and exit the ring and only by the exit you have offered him. For him to do this you will need to all chant, "LEAVE, LEAVE", until he does. When they start to call for back-up, that is when whistles are used as they cannot hear.

The Statistics are in our favour. At every protest site there will be thousands of us and only 126 police officers at each site if we are to cover them all.

You need to be at one of these location:

There are 128 Local Councils

1 x State Parliament

1 x State Governor (Margaret Beazley: and she has the power to eliminate parliament)

Police are: 21,455

130 locations

126 per location (average) Verse 62,815 people in NSW at each location.

There isn't enough police!

GOOD PART! They ALL KNOW WE ARE COMING.

A letter was sent to all parliamentary representatives, Senates and the Governor General advising them that we will ALL STAND TOGETHER ON 31st AUGUST 2021. They ARE scared. THEY WILL STEP DOWN... but we need you ALL THERE.

In the case of communications going down, no telephone and no TV etc. Do not let that stop you. We Stand no matter what!

My fellow friends, if we all Stand together we will be free and the truth will come out. Make sure you have your **Oath To Self** pdf done and a copy with you if you are going to the court houses.

And other copies for people to sign. It puts you under Magna Carta article .61 There is a certain way it must be signed. Purple pen MUST be used, not their blue (fictitious person) or black (dead fictitious person) also sign your name with: in between your first and last name "Joe : smith" and get a red stamp pad or your blood and put your thumb print over your signature. This puts you into Living Man/Woman.

Keep original copy in a safe and secure place and only take the photo copy with you.

Below is from the link above.

Magna Carta 1215. Article 61 Made Simple | John Taylor

No free man shall be seized or imprisoned, or stripped of his rights or possessions, or outlawed or exiled, nor will we proceed with force against him except by the lawful judgement of his equals or by the law of the land. To no one will we sell, to no one deny or delay right or justice. Magna Carta - a Common Law document - came into being in 1215; a contract between the knights, barons, clergy, townspeople and the King. Magna Carta affirmed the right of the People to such things as trial by jury, and protection from excessive fines. In 1297 the Model Parliament confirmed Magna Carta in statute law. Much of this statute has since been repealed. Yet while Parliament can repeal or amend any Act of Parliament (statute), Parliament was not a party to the original Common Law contract, and cannot, therefore, amend or repeal it lawfully, and thus its original provisions remain intact.
